a newly minted software developer embarking on an exciting journey in the world of technology. Having recently relocated to the picturesque landscapes of New Zealand, I am eager to establish a new chapter in my life in this vibrant and welcoming community. My passion for programming and technology led me to pursue a career in Software Development. Currently finish my Diploma in Software Development(Level 6), I am honing my skills in various languages and frameworks such as Django, React Native,Next.js, HTML, and CSS. The prospect of settling in New Zealand and contributing to its dynamic IT landscape is an exciting venture for me. I am enthusiastic about leveraging my diverse background, which includes roles such as a Real Estate Consultant and Sales and Marketing Manager, to bring a unique perspective to the field. As I navigate this new phase of my life, my ultimate goal is to become a proficient full-stack developer, crafting innovative websites and mobile applications. I am fueled by a genuine passion for technology and a commitment to continuous learning. Here to the adventures that await in this beautiful land as I build a fulfilling career in Information Technology!
